1. What would a walk through this forest be like? What is with these trees?
2. What’s wrong with me?
3. Am I the only one out here? I’m thirsty too! Send in the clouds.
4. Ouch, what happened here? What just blew me over?
5. Should I tube down this creek? Where did all this water come from?
6. What is under all that bark anyway? Is it hot in here?
7. Can a slice of a tree tell me something? Do I have two eyes?
8. Why are these trees all rusty? I thought trees were green.
9. Why is this big bucket empty this year?
10. This coat of snow is heavy.
11. Hey, where did the flowers go? These flowers are new, wonder why?
12. Where does all the water go? Who needs this water?
13. What does this bright light mean?
14. Is that a cloud or something else?
15. Who is blooming when? Who loves me most of all?
16. Where can I find my next meal?
