

SACNAS: Student Engagement

The screenshot shows the SACNAS website homepage. At the top, there is a green header with the SACNAS logo on the left, which includes a stylized atom symbol. To the right of the logo is the text "SACNAS | 40 Years of Advancing Hispanics/Chicanos & Native Americans in Science". Further right are links for "CREATE ACCOUNT" and "LOG IN". Below these is a search bar with a "SEARCH" button and a "DONATE NOW" button with the subtext "Support our Mission!".

The main navigation menu includes: Home, About, Students, Professionals, Institutions, Conference Programming, Year Round Programming, and Get Involved.

The central content area features a large banner for the "2014 SACNAS National Conference" with the theme "Creativity, Vision, & Drive: Toward Full Representation in STEM". The dates are "October 16 – 18, 2014" at the "Los Angeles Convention Center". A link to "View the 2014 National Conference Agenda" is provided.

To the right of the banner is a "NEW OPPORTUNITIES" section listing several job openings: "FACULTY POSITION IN CELL, MOLECULAR AND DEVELOPMENTAL BIOLOGY", "COMPUTATIONAL BIOLOGY AND BIOINFORMATICS", "TENURE-TRACK POSITION IN MATHEMATICS", "ASSISTANT PROFESSOR, CELL BIOLOGIST", and "ASSISTANT PROFESSOR IN THEORETICAL/COMPUTATIONAL CHEMISTRY". Below these are links for "All professional jobs & opportunities", "Postdoctoral opportunities", "Graduate student opportunities", "Undergrad & postbac opportunities", and "SUBMIT AN OPPORTUNITY NOW!".

At the bottom, there are three columns of promotional content: "Become a Member" (Join the SACNAS Community. Choose your account and settings. More members.), "Get Involved" (Volunteer with SACNAS and learn more about our science policy.), and "Attend an Event" (Learn about the National Conference and the local academic institutions.). Each column has a "MORE" button.
