

## Louisiana Coastal Stories - Jigsaw Student Note-Taking Sheet

### Lesson 1 > Changing Louisiana

Work with your “expert group” to learn about the problem described in your news story. Take notes and answer the questions below to guide you as you listen and discuss. Your job will be to teach the members of your “home group” what you have learned from your news story. Each member of your “home group” is learning about a different problem.

**Story my expert group is assigned to:** \_\_\_\_\_

**My notes about the story:**

1. Three things I learned from this story are:

--	--	--

2. The main point of this story is:

3. In a sentence or two, describe what you think is causing the problem and how it is affecting the people who live here.

4. What is your response to the story? Do you have any personal connections to the problems described in the story?

## Louisiana Coastal Stories - Jigsaw Student Note-Taking Sheet

Lesson 1 > Changing Louisiana

Work with your “home group” to learn about other problems facing coastal Louisiana communities. Take turns teaching each other about the story you learned about in your “expert group.” Use the questions below to guide your note-taking and discussion.

### Home group notes about other coastal stories:

**1.** What other problems are facing coastal Louisiana communities?

**2.** Are there any connections between the problems and/or between the stories?

**3.** What questions do you have now?
